Re: Budget Amendment of Project Codes

Authorization from Commissioners Court to reallocate \$3,000 from project code T06108 to project code T06113 within account number 001-0619-414.90-02. The original project code carried over from FY 2013 to FY 2014 in the amount of \$52,500 and should have been \$55,500 for the Customer Queuing System project. This issue was created when project code T06114 was created in the amount of \$3,000 and it should have been part of T06113.
