Re: Indigent Defense Design Consultant Services

Information Technology is requesting approval to advertise for bids on the Indigent Defense Grant Consultant RFP. The consultant services requested in this RFP will be paid from Indigent Defense grant funds obtained through the Texas Indigent Defense Commission (TIDC). TIDC extended Collin County's grant which was accepted in Commissioner's Court on 07/28/14 (Court Order 2014-475-07-28).
