RE: Experience Works Program FY2015

We are seeking consideration and approval by the Collin County's Commissioners' Court to renew our agreement with Experience Works for the purpose of a joint engagement in the Senior Community Service Employment Program (SCSEP). We are also asking for authorization for Judge Keith Self to sign the agreement for the time period of November 4, 2014 to November 4, 2015.

Experience Works provides workers over the age of 55 with on-the-job training to enhance their skills to get them back into the workforce. In exchange for the training provided by Collin County, Experience Works pays the compensation of these individuals. There is no cost to the county for this program.
