Re: Award Acceptance Firehouse Subs Public Safety Foundation Grant

Since 2007, Collin County has been awarded federal Bulletproof Vest Partnership (BVP) Program grant funds, which reimbursed the county for 50% of the costs associated with purchasing body armor for our law enforcement officers. However, our application for FY 2015 funding was denied due to lack of federal funding. As a result, the county chose to seek foundation funding to supply our officers with this critical personal protective equipment.

We are seeking approval to accept body armor from the Firehouse Subs Public Safety Foundation for 31 Sheriff's Office deputies whose vests will be expiring during FY 2015. The Firehouse Subs Public Safety Foundation will purchase the vests directly from the vendor in the amount of \$19,984.

On October 16, 2014, the Firehouse Subs Public Safety Foundation initiated the order, based on measurements provided by the Sheriff's Office to the vendor, and will have them shipped to our location.

The application was approved on Court Order 2014-690-09-22.
