To: Judge Self and Commissioners' Court  
From: Jon Kleinheksel, Director of Public Works *JK*  
Re: Anna Inter Local Agreement – East Fork Circle  
(10 year Payback Request)

Public Works received a request from the City of Anna recently to upgrade East Fork Circle. To finance this project, Anna conveyed their preference for a ten year payback plan.

The all city road is 4,900 ft. in length and currently a rock surface. Public Works inspected the proposed site and calculated a cost estimate of \$189,630.00 to improve East Fork Circle to 2-course penetration asphalt which Anna has accepted.

The Budget Office prepared the attached amortization schedule to compensate Collin County at 2.75% over the agreed upon term of 10 years (120 months). Due to prior project commitments and current resources, Public Works will be unable to schedule this project before summer 2016, pending Commissioners Court approval.

Public Works will deliver a final product that meets all County Road Standards. However, due to many intrinsic variables including:

- Inclement weather
- Traffic patterns
- Soil conditions
- Future road maintenance
- Trees and drainage maintenance

Public Works will not provide a warranty for roads reconstructed within or adjacent to the Anna boundaries. (Please note on the court order).

If you have any questions, please do not hesitate to contact me and I will respond accordingly.
