## MEMORANDUM

To: Judge Keith Self  
Commissioners' Court

From: Sheriff Terry G. Box *TGB*

Re: Change to GPS Monitoring Fee

---

Commissioners' Court has approved a contract with a new vendor to provide GPS monitoring effective November 1, 2014. The adopted fee schedule for FY 15 had been adopted in September which reflected a daily fee of \$5.45 for GPS monitoring under the contract at that time. We respectfully request Commissioners' Court amend the adopted fee schedule to reflect the new daily fee of \$6.00 as reflected in the new contract.
