RE: FY2014 DSHS TB State Contract Amendment #2014-001394

Please approve the Amendment to the FY2014 Department of State Health Services TB State Contract. The amendment is due to additional language regarding Reporting and Medications and Supply Inventory Management in Section I and updates to the Performance Measures in Section II.

Health Care will maintain compliance to the changes noted in the Scope of Work and Performance Measures.

The effective date is 9/01/2013. The amendment has a retroactive date because the amendment module in CMPS did not become accessible until November 2013.
