Re: DMV Single Sticker Program Adoption

As a result of House Bill 2305 passed during the 83rd legislative session, the State of Texas will discontinue issuing vehicle inspection stickers and transition to a "Two Steps, One Sticker" inspection and registration program.

Beginning March 1, 2015, vehicles will no longer be issued an inspection sticker. The registration sticker will serve as a combined proof of registration and inspection. By consolidating these two programs, the state hopes to decrease administrative processing, prevent fraud and reduce clutter for the motorist.

Public Works will explain the new program and the Department's plans to comply with its provisions as it relates to the County's over the road vehicles.
