RE: Grant Application for Crime Victim Advocate

For the past few years we have shared a Crime Victim Advocate with Frisco PD. She spends one half of her work week meeting the needs of our crime victims. This relationship has been fruitful. The work load and demand has increased to the point where we need a full time advocate.

The grant funding is for \$78,750.00 and the County's In-Kind match would be \$15,750.00. This would be for a period of one year, from September 1, 2015 to August 31, 2016.
