- 2) Eligible applicants must have a DUNS (Data Universal Numbering System) number assigned to its agency, to request a DUNS number, go to <http://fedgov.dnb.com/webform/displayHomePage.do>.
- 3) Eligible applicants must be registered in the federal system for award and management (SAM) database located at <http://www.sam.gov> and maintain an active registration throughout the grant period.
- 4) Applicants must explain how their organization is culturally competent when providing services to victims. Here are some guidelines to follow: Victim service providers must have the ability to blend cultural knowledge and sensitivity with victim restoration skills for a more effective and culturally appropriate recovery process. Cultural competency occurs when: a) cultural knowledge, awareness and sensitivity are integrated into action and policy; b) the service is relevant to the needs of the community and provided by trained staff, board members, and management; and c) an advocate or organization recognizes each client is different with different needs, feelings, ideas and barriers.
- 5) Applicants must certify that they will comply with the following requirements:
 - a) Services to Victims of Crime - Applicant agrees to provide services to victims of crime which include: responding to the emotional and physical needs of crime victims; assisting victims in stabilizing their lives after victimization; assisting victims to understand and participate in the criminal justice system; and providing victims with safety and security.
 - b) Effective Services - Applicant must demonstrate a record of providing effective services to crime victims. If the applicant cannot yet demonstrate a record of providing effective services, the applicant must demonstrate that at least 25 percent of its financial support comes from non-federal sources.
 - c) Volunteers - Applicant agrees to use volunteers to support either the project or agency-wide services, unless CJD determines that a compelling reason exists to waive this requirement.
 - d) Community Efforts - Applicant agrees to promote community efforts to aid crime victims. Applicants should promote, within the community, coordinated public and private efforts to aid crime victims. Coordination efforts qualify an organization to receive these funds, but are not activities that can be supported with these funds.
 - e) Crime Victims' Compensation - Applicant agrees to assist crime victims in applying for crime victims' compensation benefits.
 - f) Records - Applicant agrees to maintain daily time and attendance records specifying the time devoted to allowable victim services.
 - g) Civil Rights Information - Applicant agrees to maintain statutorily required civil rights statistics on victims served by race, national origin, sex, age, and disability of victims served, within the timeframe established by CJD. This requirement is waived when providing services, such as telephone counseling, where soliciting the information may be inappropriate or offensive to the crime victim.
 - h) Victims of Federal Crime - Applicant agrees to provide equal services to victims of federal crime. (Note: A victim of a federal crime is a victim of an offense that violates a federal criminal statute or regulation. Federal crimes also include crimes that occur in an area where the federal government has jurisdiction, such as Indian reservations, some national parks, some federal buildings, and military installations.)
 - i) No Charge - Applicant agrees to provide grant-funded services at no charge to victims of crime.
 - j) Confidentiality - Applicant agrees to maintain the confidentiality of client-counselor information and research data, as required by state and federal law.
 - k) Discrimination - Applicant agrees not to discriminate against victims because they disagree with the State's prosecution of the criminal case.
 - l) Forensic Medical Examination Payments – Health care facilities shall conduct a forensic medical examination of a victim of an alleged sexual assault if the victim arrived at the facility within 96 hours after the assault occurred and the victim consents to the examination. The victim is not required to participate in the investigation or prosecution of an offense as a condition of receiving a forensic medical examination, nor pay for the forensic examination or the evidence collection kit. The evidence collection portion of the exam is to be paid by law enforcement per state law. Crime Victim Compensation funds may be used to pay for the medical portion of the exam unless the victim of sexual assault is required to seek reimbursement for the examination from their insurance carrier. If a health care facility does not provide diagnosis or treatment services for sexual assault victims, the facility is required to refer the victim to a facility that provides those services.
 - m) Protective Orders – Victims applying for a protective order or their attorney may not bear the costs associated with the filing of an order of protections.
 - n) Nondisclosure of Confidential or Private Information – Personally identifying information or individual information collected in connection with services requested, utilized, or denied may not be disclosed; or,
