

CERTIFICATE OF ATTENDANCE

The North Central Texas Council of Governments

Recognizes

Cheryl Williams

as having attended the Elected Official Illegal Dumping Workshop on February 4, 2015, in Allen, Texas, and as having completed all requirements for the awarding of three (3) hours of credit in environmental education.

Code Enforcement Officers: This training is approved in accordance with Department of State Health Services Rule 140.168 for code enforcement officer/code enforcement officer in-training registration renewal in Texas. The curriculum includes two hours instruction in basic processes of law related to code enforcement, and one hour in Legal Updates Related to the Profession of Code Enforcement, for a total of three (3) hours.

Registered Sanitarians: This training is approved for three (3) continuing education hours under Department of State Health Services Rule 140.113.

Law Enforcement Agency Training Officer: Please report officer training hours to TCOLE as Class 3880 – Environmental Law Enforcement, for a total of three (3) hours.

Funded by the Texas Commission on Environmental Quality

Instructor: John H. Ockels, Ph.D.
