MENTAL HEALTH MANAGED COUNSEL PROGRAM

Collin County is seeking a renewal discretionary grant from the Texas Indigent Defense Commission to continue funding the Mental Health Managed Counsel Program. Implementation of this program has resulted in placement of a Managing Attorney Director who has improved communications and coordination between the jail, attorneys, and the courts, and provided enhanced services for mentally-impaired inmates. The undersigned judge agrees to continue support of and participate with the program pursuant to the county's discretionary grant award to the Commission and any special conditions of the grant award to the county. This commitment includes participating in the data-collection efforts required in the program as well as utilization of the services to be provided by the program.

Acknowledged and approved by the Local Administrative District Judge.
