Commissioner Duncan Webb
Collin County Commissioner Pct. 4
2300 Bloomdale Rd., Suite 4192
McKinney, TX 75071

Dear Commissioner Webb:

On behalf of the hundreds of seniors we serve throughout Collin County, I want to thank you for your support of Meals on Wheels Collin County, and invite you to participate in the 13th annual March for Meals campaign. As a leader in our community, you are in an excellent position to help raise awareness for the growing number of seniors in need of nutritious meals and address senior hunger and isolation, both serious problems currently impacting our community and communities across the United States.

Meals on Wheels Collin County is participating in the national March for Meals campaign, which is an annual month-long event, in the month of March, sponsored by the Meals On Wheels Association of America. It is designed to generate public awareness about senior hunger and isolation and to celebrate the invaluable services provided by the more than 5,000 Meals on Wheels programs across the country. Given the exemplary public-private partnership Meals on Wheels embodies, this annual campaign is also intended to help recruit new volunteers from our community and to increase fundraising from local businesses and supporters. For more information, please visit www.marchformeals.com or the Meals on Wheels Collin County website at www.mowcc.com.

You are a recognizable and strong voice in our community and we would be honored if you could participate in the March for Meals campaign by helping to prepare and/or deliver meals to our senior clients during our Community Champions Week March 16 – 20, 2015. In doing so, you can connect with the seniors we serve and help Meals on Wheels Collin County gain much-needed visibility for this cause.

If you are interested in joining us in celebrating March for Meals during Community Champions Week, or another time throughout the month that works with your busy schedule, please contact us at your earliest convenience. Lissa Smith would be delighted to answer any questions that you may have and can be reached at 972-562-6996 or via email at smithl@mowcc.com. Thank you for your serious consideration of our request. We look forward to hearing from you.

Sincerely,
