JUSTICE OF PEACE, PRECINCT 4  
8585 JOHN WESLEY DRIVE #130  
FRISCO, TEXAS 75034

# M E M O

Subject: Printer Request

Date: 02/27/2015

Below are quotes for Lexmark printers for the Justice Courts. Since all of the courts are requesting to purchase these out of the Justice Court Technology Fund, we are combining the needs of all five courts on one agenda item. The total for seventeen (17) printers is \$13,364.07

JP1	2 replacement printers: 1 high volume color with extra tray; 1 black regular volume	= \$1,910.34
JP2	3 replacement printers: 2 regular color; 1 black regular volume	= \$1,944.03
JP31	5 replacement/additional printers: 3 black regular volume; 2 black high volume	= \$4,257.17
JP32	4 replacement/additional printers: 1 high volume color; 3 black regular volume	= \$3,172.95
JP4	<u>3</u> replacement printers: 1 high volume color; 2 regular color	= <u>\$2,079.58</u>
	17	<u>\$13,364.07</u>

## Printer breakdown:

JP1 is paying more in ink than they paid for the front counter printer. I.T. has advised them that they need a higher volume printer to use at the front counter – the front counter printer will be used to replace the court administrator's old printer. They are also using a loaner from I.T. for the courtroom since the one in there is no longer working.

- 1 - Lexmark C746DN Color \$616.90 + 278.00 (3 yr. maintenance) + 256.09 2<sup>nd</sup> paper tray = \$1,150.99
- 1 - Lexmark MS510DN Black \$504.57 + 254.78 (3 yr. maintenance) = \$759.35

JP2 currently is using IT loaners and needs three (3) replacement printers, including 1 for the courtroom:

- 2 - Lexmark CS410DN Color \$400.38 + 191.96 (3 yr. maintenance) = \$592.34 X 2 = \$1,184.68
- 1 - Lexmark MS510DN Black \$504.57 + 254.78 (3 yr. maintenance) = \$759.35

JP3-1 has three (3) printers that IT has advised are too old to repair and need to be replaced:

- 2 - Lexmark MS810DN Black \$765.76 + 223.80 (3 yr. maintenance) = \$989.56 X 2 = \$1,979.12
- 3 - Lexmark MS510DN Black \$504.57 + 254.78 (3 yr. maintenance) = \$759.35 x 3 = \$2,278.05

JP3-2 is replacing two (2) printers and asking for two (2) additional for clerk desks:

- 1 - Lexmark C746DN Color \$616.90 + 278.00 (3 yr. maintenance) = \$894.90
- 3 - Lexmark MS510DN Black \$504.57 + 254.78 (3 yr. maintenance) = \$759.35 X 3 = \$2,278.05

JP4 is replacing two (2) broken printers and one (1) that is leaking toner and replacing drums frequently:

- 1 - Lexmark C746DN Color \$616.90 + 278.00 (3 yr. maintenance) = \$894.90
- 2 - Lexmark CS410DN Color \$400.38 + 191.96 (3 yr. maintenance) = \$592.34 X 2 = \$1,184.68
