Re: Acquisition of Lone Star Uniforms, Inc., by Galls, LLC

Dear Deborah,

Please accept this letter as notification that on November 10, 2014, Galls, LLC ("Galls"), purchased Lone Star Uniforms, Inc. ("Lone Star") in a stock sale (the "Transaction").

As a result of the Transaction, the only change to Lone Star is in the actual ownership. Lone Star will continue to conduct business as usual and operate under the Lone Star name.

We anticipate no changes in the day-to-day dealings between Lone Star and Collin County. In addition, through Galls, you will have access to an even broader product assortment, faster delivery, and state of the art technological resources.

We appreciate your attention to this important matter. Please direct any questions in this matter to the your Lone Star rep or myself.

Most Sincerely,

A handwritten signature in black ink, appearing to read 'Chris Medley'.
