RE: Gift to the Law Library

The Law Library respectfully requests Commissioners Court consideration for the acceptance of a donation of a globe and stand to the law library. The gift is donated by Pamela Lakatos, a Collin County criminal defense attorney, and her husband, Bruce Lakatos, who hand-crafted the stand with the globe.

This gift is in recognition of the law library services that have been provided over the years and compliments the many maps that the law library displays on its walls. Photographs of the gift are attached.
