Bill:

Per your request, I am sending along a current balance sheet for the Heritage Guild of Collin County to accompany our grant application.

These grant funds will go toward a project on the “Two-Bit” Taylor Inn, an 1863 Salt Box style home used as a boarding house. Structural bracing estimated to cost \$3000 actually ran upwards of \$8000, well beyond the budget (or funds) allocated for this expense. Specifically, the funds would go toward costs incurred on floor joist repair/replacement, part on the unexpected expenses.

We thank you for your time and consideration of this request.

Best regards,
Jaymie Pedigo
