RE: Quote for Additional Spraying Width

Edko, LLC submits the following pricing to spray an additional 5 feet wide on roadside spraying along 310 miles of road for \$51.00 per mile for an additional \$15,810 dollars per round. This will represent about half of the said 650 miles of road to be sprayed per round.

Thanks,

A handwritten signature in blue ink, appearing to read "Louis Newburn". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
