

**DEPARTMENT OF STATE HEALTH SERVICES
CONTRACT 2016-001267-00**

This Contract is entered into by and between the Department of State Health Services (DSHS or the Department), an agency of the State of Texas, and Collin County (Contractor), a Governmental, (collectively, the Parties) entity.

1. Purpose of the Contract: DSHS agrees to purchase, and Contractor agrees to provide, services or goods to the eligible populations.

2. Total Amount: The total amount of this Contract is \$545,327.00.

3. Funding Obligation: This Contract is contingent upon the continued availability of funding. If funds become unavailable through lack of appropriations, budget cuts, transfer of funds between programs or health and human services agencies, amendment to the Appropriations Act, health and human services agency consolidation, or any other disruptions of current appropriated funding for this Contract, DSHS may restrict, reduce, or terminate funding under this Contract.

4. Term of the Contract: This Contract begins on 07/01/2015 and ends on 06/30/2016. DSHS has the option, in its sole discretion, to renew the Contract. DSHS is not responsible for payment under this Contract before both parties have signed the Contract or before the start date of the Contract, whichever is later.

5. Authority: DSHS enters into this Contract under the authority of Health and Safety Code, Chapter 1001.

6. Program Name: CPS/HAZARDS Public Health Emergency Preparedness (PHEP)

7. Statement of Work:

STATEMENT OF WORK:

A. Contractor shall perform activities in support of the Public Health Emergency Preparedness Cooperative Agreement (Funding Opportunity Number CDC-RFA-TP12-12010402CONT15) from the Centers for Disease Control and Prevention (CDC). CDC's five-year Public Health Emergency Preparedness (PHEP) – Hospital Preparedness Program (HPP) Cooperative Agreement seeks to align PHEP and HPP programs and advance public health and healthcare preparedness. Contractor shall perform the activities required under this Program Attachment in the Service Area designated in the most recent version of Section 8. "Service Area" of this contract.

B. Identify the appropriate jurisdictional partners to address the emergency preparedness, response, and recovery needs of older adults regarding public health, medical and mental health behavioral needs and address processes and accomplishments to meet the needs of older adults.

C. Provide DSHS with situational awareness data generated through interoperable networks of electronic data systems,

D. Contractor shall address public health preparedness capabilities including, but not limited to the contractor's work plan submitted to DSHS as provided for in Section 7. "Statement of Work" (O) of this contract.

1. Capability 1 – Community Preparedness is the ability of communities to prepare for, withstand, and recover – in both the short and long terms – from public health incidents.
2. Capability 2 – Community Recovery is the ability to collaborate with community partners, e.g., healthcare organizations, business, education, and emergency management) to plan and advocate for the rebuilding of public health, medical, and mental/behavioral health systems to at least a level of functioning comparable to pre-incident levels and improved levels where possible.
3. Capability 3 – Emergency Operations Center Coordination is the ability to direct and support an event or incident with public health or medical implications by establishing a standardized, scalable system of oversight, organization, and supervision consistent with jurisdictional standards and practices with the National Incident Management System.
4. Capability 4 – Emergency Public Information and Warning is the ability to develop, coordinate, and disseminate information, alerts, warnings, and notifications to the public and incident management responders.
5. Capability 5 – Fatality Management is the ability to coordinate with other organizations (e.g., law enforcement, healthcare, emergency management, and medical examiner/coroner) to ensure the proper recovery, handling, identification, transportation, tracking, storage, and disposal of human remains and personal effects; certify cause of death, and facilitate access to mental/behavioral health services to the family members, responders, and survivors of an incident.
6. Capability 6 – Information Sharing is the ability to conduct multijurisdictional, multidisciplinary exchange of health-related information and situational awareness data among federal, state, local, territorial, and tribal levels of government, and the private sector. This capability includes the routine sharing of information as well as issuing of public health alerts to federal, state, local, territorial, and tribal levels of government and the private sector in preparation for and in response to events or incidents of public health significance.
7. Capability 7 – Mass Care is the ability to coordinate with partner agencies to address the public health, medical, and mental/behavioral health needs of those impacted by an incident at a congregate location. This capability includes the coordination of ongoing surveillance and assessment to ensure that local health needs to continue to be met as the incident evolves.

8. Capability 8 – Medical Countermeasure Dispensing is the ability to provide medical countermeasures (including vaccines, antiviral drugs, antibiotics, antitoxin, etc.) in support of treatment or prophylaxis (oral or vaccination) to the identified population in accordance with public health guidelines and/or recommendations.

9. Capability 9 – Medical Materiel Management and Distribution is the ability to acquire, maintain (e.g., cold chain storage or other storage protocol), transport distribute, and track medical materiel (e.g., pharmaceuticals, gloves, masks, and ventilators) during an incident and to recover and account for unused medical materiel, as necessary, after an incident.

10. Capability 10 – Medical Surge is the ability to provide adequate medical evaluation and care during events that exceed the limits of the normal medical infrastructure of an affected community. It encompasses the ability of the healthcare system to survive a hazard impact and maintain or rapidly recover operations that were compromised.

11. Capability 11 – Non-Pharmaceutical Interventions are the ability to recommend to the applicable lead agency (if not public health) and implement, if applicable, strategies for disease, injury, and exposure control. Strategies include the following: isolation and quarantine; restrictions on movement and travel advisory/warnings; social distancing; external decontamination; hygiene; and precautionary behaviors.

12. Capability 12 – Public Health Laboratory Testing is the ability to conduct rapid and conventional detection, characterization, confirmatory testing, data reporting, investigative support, and laboratory networking to address actual or potential exposure to all-hazards. Hazards include chemical, radiological, and biological, and biological agents in multiple matrices that may include clinical samples, food, and environmental samples (e.g., water, air, and soil). This capability supports routine surveillance, including pre-event incident and post-exposure activities.

13. Capability 13 – Public Health Surveillance and Epidemiological Investigations is the ability to create, maintain, support, and strengthen routine surveillance and detection systems and epidemiological investigation processes, as well as to expand these systems and processes in response to incidents of public health significance.

14. Capability 14 – Responder Safety and Health describes the ability to protect public health agency staff responding to an incident and the ability to support the health and safety needs of hospital and medical facility personnel, if requested.

15. Capability 15 – Volunteer Management is the ability to coordinate the identification, recruitment, registration, credential verification, training, and engagement of volunteers to support the jurisdictional public health agency's response to incidents of public health significance.

E. Contractor will not exceed the total amount of this Contract without DSHS prior approval, which will be evidenced by the Parties executing a written amendment.

F. Contractor will comply with all applicable federal and state laws, rules, and regulations including, but not limited to, the following:

1. Public Law 107-188, Public Health Security and Bioterrorism Preparedness and Response Act of 2002;
2. Public Law 113-05, Pandemic and All-Hazards Preparedness Reauthorization Act; and
3. Texas Health and Safety Code Chapter 81.

G. Contractor will comply with all applicable regulations, standards and guidelines in effect on the beginning date of the Term of this Contract.

H. The Parties have the authority under Texas Government Code Chapter 791 to enter into this Interlocal Cooperation Contract.

I. Funds awarded for this Contract must be matched by costs or third party contributions that are not paid by the Federal Government under another award, except where authorized by Federal statute to be used for

cost sharing or matching. The non-federal contributions (match) may be provided directly or through donations from public or private entities and may be in cash or in-kind donations, fairly evaluated, including plant, equipment, or services. The costs that the Contractor incurs in fulfilling the matching or cost-sharing requirement are subject to the same requirements, including the cost principles, that are applicable to the use of Federal funds, including prior approval requirements and other rules for allowable costs as described in 45 CFR 74.23 and 45 CFR 92.24.

J. The Contractor is required to provide matching funds for this Contract not less than ten-percent of the allocation amount. Cash match is defined as an expenditure of cash by the contractor on allowable costs of this Contract that are borne by the contractor. In-kind match is defined as the dollar value of non-cash contributions by a third party given in goods, commodities, or services that are used in activities that benefit this Contract's project and that are contributed by non-federal third parties without charge to the contractor. The criteria for match must:

1. Be an allowable cost under the applicable federal cost principle;
2. Be necessary and reasonable for the efficient accomplishment of project or program objectives;
3. Be verifiable within the contractor's (or subcontractor's) records;
4. Be documented, including methods and sources, in the approved budget (applies only to cost reimbursement Contracts);
5. Not be included as contributions toward any other federally-assisted project or program (match can count only once);
6. Not be paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or match;
7. Conform to other provisions of governing circulars/statutes/regulations as applicable for the Contract;
8. Be adequately documented;
9. Must follow procedures for generally accepted accounting practices as well as meet audit requirements; and
10. Value the in-kind contributions reported and must be supported by documentation reflecting the use of goods and/or services during the Contract term.

K. In the event of a public health emergency involving a portion of the state Contractor will mobilize and dispatch staff or equipment purchased with funds from previous PHEP cooperative agreements and not performing critical duties in the jurisdiction served, to the affected area of the state upon receipt of a written request from DSHS.

L. Contractor will inform DSHS in writing if Contractor will not continue performance under this Contract within 30 days of receipt of an amended standard(s) or guideline(s). DSHS may terminate this Contract immediately or within a reasonable period of time as determined by DSHS.

M. Contractor will develop, implement and maintain a timekeeping system for accurately documenting staff time and salary expenditures for all staff funded through this Contract, including partial full-time employees and temporary staff.

N. DSHS reserves the right, where allowed by legal authority, to redirect funds in the event of financial shortfalls. DSHS will monitor Contractor's expenditures on a quarterly basis. If expenditures are below that projected in Contractor's total Contract amount, Contractor's budget may be subject to a decrease for the remainder of the Term of the Contract. Vacant positions existing after ninety days may result in a decrease in funds.

O. The Contractor will:

1. Submit programmatic reports as directed by DSHS in a format specified by DSHS. Contractor will provide DSHS other reports, including financial reports, and any other reports that DSHS determines necessary to accomplish the objectives of this contract and to monitor compliance;
2. Submit Performance Measures to DSHS within an established timeframe designated by DSHS as required by the CDC.
3. Submit the Mitigation Plan due to DSHS within an established timeframe designated by DSHS;
4. Submit the Emergency Support Function 8 plans developed in accordance with the Texas Department of Emergency Management (TDEM) and DSHS Planning Standards within 30 days of request from DSHS.
5. Submit by the last day of every month a list of all reported clusters and information on investigation findings on the tracking sheet provided by the DSHS
6. Submit a current Multi-Year Training & Exercise Plan that covers FY16 through FY21 to DSHS by July 6, 2015, using the template provided by DSHS. In accordance with HSEEP guidelines, contractors must conduct or participate in a Multi-year Training and Exercise Workshop with all applicable agencies and submit an agenda and a participant roster as documentation of attendance.
7. Complete and submit the Operational Readiness Review (ORR) provided by DSHS to DSHS SNS SharePoint 20 business days prior to review;
 - a. Provide updated Point of Dispensing (POD) standards data for submission to DSHS SNS SharePoint by April 1, 2016;
 - b. Perform and submit metrics on three SNS operation drills (at pre-identified POD locations and existing call down rosters) and submit After Action Reviews/Improvements sixty days after completion of the drill or by April 1, 2016. Acceptable drills include:
 - i. Staff Call Down;
 - ii. Facility Set-up;
 - iii. POD Activation;
 - iv. Dispensing Throughput; and
 - v. RealOpt usage;
 - c. Submit above items listed in 7 (b) to PreparednessExercise@dshs.state.tx.us by April 1, 2016.
8. Submit the Mid-Year Report due to DSHS within an established timeframe designated by DSHS.
9. Complete an End-Of-Year performance report in a format specified by DSHS no later than August 15, 2016.
10. Conduct or participate in, at least, one Preparedness Exercise which includes evaluation of capabilities and objectives in accordance to the Contractor's exercise plan and developed in accordance with Homeland Security Exercise and Evaluation Program (HSEEP) standards. Contractor will submit to DSHS an exercise notification following the Concept and Objectives meeting in accordance with timeframes established in DSHS Exercise Guidance. A joint after action report/improvement plan must be submitted within 60 days of the exercise to the DSHS Exercise Team mailbox (preparednessexercise@dshs.state.tx.us). The After Action Report must also include a Corrective Action Plan. These exercises may include a tabletop exercise, a functional exercise, or a full-scale exercise to test preparedness and response capabilities, but not associated with Strategic National Stockpile (SNS).
11. Designate a member of the PHEP program to attend, in person, the PHEP all four quarterly meetings of the contract term. If the designee is unable to attend the first meeting in person, the Contractor must petition DSHS in writing requesting an exemption and proposal for attending a subsequent quarterly meeting.
12. Complete all additional reporting requirements. Due dates will be listed in the most current DSHS reporting schedule, to be released no later than August 3, 2015.
13. If Contractor is legally prohibited from providing any report under this Contract, Contractor will immediately notify DSHS in writing.

P. In the event of another local, state, or federal emergency the Contractor has the authority to utilize approximately five percent of the Contractor's staff's time supporting this Program Attachment for response

efforts. DSHS shall reimburse Contractor up to five percent of this Program Attachments funded by CDC for personnel costs responding to an emergency event. Contractor shall maintain records to document the time spent on response efforts for auditing purposes. Allowable activities also include participation of drills and exercises in the pre-event time period. Contractor shall notify the Assigned Contract Manager in writing when this provision is implemented.

Q. For the purposes of this Contract, the Contractor may not use funds for research, clinical care, fund-raising activities or lobbying, construction or major renovations, for reimbursement of pre-award costs, to supplant existing state or federal funds for activities, payment or reimbursement of backfilling costs for staff, purchase of vehicles of any kind, funding an award to another party or provider who is ineligible.

R. Contractor shall only expend funds for reasonable program purposes, including personnel, travel, supplies, and services, such as contractual.

S. Contractor shall cooperate with DSHS to coordinate all planning, training and exercises performed under this Program Attachment with local emergency management and the Texas Division of Emergency Management (TDEM) District Coordinators assigned to the contractor's sub-state region, to ensure consistency and coordination of requirements at the local level and eliminate duplication of effort between the various domestic preparedness funding sources in the state.

T. Contractor shall coordinate all risk communication activities with the DSHS Communications Unit by using DSHS's core messages posted on the DSHS website, and submitting copies of draft risk communication materials to DSHS for coordination prior to dissemination.

U. Volunteer Management (Capability 15): If Contractors are using volunteers, such as Medical Reserve Corps or Strategic National Stockpile (SNS) point of dispensing volunteers, and then Contractors must use the Texas Disaster Volunteer Registry (TDVR), Texas' version of the Emergency System for the Advanced Registration of Volunteer Health Professionals (ESAR-VHP) system as their main volunteer management tool.

PERFORMANCE MEASURES:

A. DSHS will monitor the Contractor's compliance with the requirements in Section 7 and this Contract and failure to meet these requirements may result in withholding a portion of any subsequent PHEP base awards.

B. The initial reporting requirements for the performance measures are subject to change as DSHS and CDC may modify performance measures and due dates. DSHS will provide notification to the Contractor of any changes under this Section.

BILLING INSTRUCTIONS:

Contractor will request payment using the State of Texas Purchase Voucher (Form B-13) on a monthly basis and acceptable supporting documentation for reimbursement of the required services/deliverables. Additionally, the Contractor will submit the Financial Status Report (FSR-269A). Vouchers, supporting documentation and Financial Status Report should be mailed or emailed to the addresses below.
