Dear Collin County Property Owner:

The Collin County Rural Addressing Office is standardizing emergency addressing, to ensure that there will not be a delay of emergency service to your residence.

The signed petition to rename Private Road 5620 as Kiefer Dr was received.

The addressing recommendations listed below will be made to the Collin County Commissioners Court by the 9-1-1 Rural Addressing office at the public session on July 6, 2015, which you are welcome to attend. The scheduled court date is subject to change – for the latest agenda notice go to:

[http://public1.co.collin.tx.us/public\\_notices/Lists/Public%20Meetings/Calendar.aspx](http://public1.co.collin.tx.us/public_notices/Lists/Public%20Meetings/Calendar.aspx)

Upon approval by the Commissioners Court to rename Private Road 5620 to Kiefer Drive, your 9-1-1 address on the James Fisher survey Abstract 304, Sheet 3, Tract 21 will be:

**5858 KIEFER DR  
MELISSA, TX 75454**

**Please don't make any changes yet** – in the week after approval by Commissioners Court, a final 9-1-1 address correction approval letter will be sent to you, your emergency service dispatcher, your post office, and the Collin Central Appraisal District.

The County will then install one (1) blue and white metal road sign with post – contact information will be included in the 9-1-1 address correction approval letter.

Property deeds are not affected by a change in address – even though the deed may reference a physical address, the legal description is the permanent property identifier. This office will provide an address verification letter at no charge, if ever needed in the future.

If you have any questions concerning this address, please call the GIS/9-1-1 Rural Addressing office at 972-548-4797.

Sincerely,

Ramona Luster
