Dear Weston Property Owner:

The City of Weston Addressing Office is participating in the 9-1-1 Emergency Telephone System by assigning addresses to a standard physical addressing system, to make it easier for the fire department, police, and ambulance services to find you in an emergency.

County Road ____ will be re-named and re-addressed for 9-1-1 consistency between the City of Weston and Collin County.

Property deeds will not be affected by the change in address - even though the deed may reference a physical address, the legal description is the permanent property identifier.

We would like your suggestions for the new name for County Road _____. Your idea may be sent via e-mail to pharrington@ci.weston.tx.us, mailed to the address above, or dropped in the mail slot in the front door of City Hall before April 4, 2013.

The final decision for the new name will be made by the Weston City Council. The Collin County 9-1-1 Addressing Dept. will request approval for the rural changes on the Collin County Commissioners Court agenda. Once approved, you will receive a second letter from Collin County, advising you of your new address, with additional instructions.

I/We would like to suggest _____ as the new name for County Road _____ because _____.

If you have any questions, please leave a message for me at the City of Weston at (972) 382-1001.

Sincerely,

Patti Harrington
Mayor
9-1-1 Addressing Coordinator
