RE: FY 2015 FEE SCHEDULE AMENDMENT

During this year's legislative sessions many amendments were made to the statutes that govern this office. Some of those amendments included changes to fees which are collected by the County Clerk's office. Because the changes will be effective prior to the approval of the FY 2016 Fee Schedule, an amendment to the current fee schedule is needed to allow the collection of the new fees.

Effective September 1, 2015, the following fees will be collected by the County Clerk's office:

- Jury Fee-\$40
  - Civil and Criminal County Courts, and Probate Statutory Court
- Electronic Filing Fee-\$30
  - Civil County Courts and Probate Statutory Court
- Claims Against Estate-\$10
  - Statutory Probate Court
- Cash Bond Release-5% of balance not to exceed \$50
  - Criminal County Court

The amended fee schedule detailing the changes has been included with this agenda item.
