

Hi:

My name is Larry Offerdahl and was given your email address by Bill Bilyeu who is a member our Rotary Club. I am helping a group of veterans open up a new Veterans Support Office at 900 East Park Ave in Plano. We are located in the Collin County office complex. We have scheduled to open this Veterans Support Office in early September and are in need to 3 small office desks and 4 to 6 office chairs. Bill informed me that the County was in the process of changing out some office equipment and may have some surplus equipment. Please email me and let me know what might be available and any cost associated with his equipment. The Veterans Center of North Texas is a 501 c 3 non-profit organization and staffed by all veteran volunteers. Your consideration would be greatly appreciated.
