Subject: Budget Amendment for Myers Park Pole Barn Enclosure

Request Commissioners' Court consideration and any action regarding approval for a budget amendment in the amount of \$11,046.00 for FY15 Approved Permanent Improvement Project, Fabrication and Installation of a Custom Enclosure for the Myers Park and Event Center Pole Barn. We received two quotes for the enclosure project. Both quotes were over budget. Enclosure Guy had the lowest price for the scope requested. Funds are available in completed project R41001.

Thank you,
