Judge Self,

Dean International, Inc. has had the great pleasure over the past few years to work with you, Collin County officials, and key stakeholders on the US 75 project. Dean International, Inc. is interested in working with Collin County to provide the expertise and leadership necessary to have the US 75 project developed to meet your needs.

Per your request, we would like to suggest that the County enter into professional services contract with a provider to meet the County's needs. We would suggest a contract in the amount of \$240,000 annually with reasonable expenses to be reimbursed.

Please let me know if you have any questions or need any additional information.

Thank you,

Russell Schaffner
