Re: Indemnification policy in relation to equipment covered by insurance and Constable 3 vehicle

According to the attached opinion from Greg Hudson equipment that is covered by the County's self-funded insurance does not require indemnification by Commissioners Court. It has been expressed to me that the Commissioners Court may want to discuss the replacement of vehicles in certain situations such as the incident with a vehicle in Constable 3. I would like to get direction from Commissioners Court on how to handle this and other incidents. The purchase of a replacement vehicle for Constable 3 is on hold until further direction from Commissioners Court is given.
