RE: Rescind Court Order 2015-379-06-22 and reapprove

Court Order No. 2015-379-06-22 authorized 1) Approve attached Amendment to the Maintenance and Support Services Agreement (approved per Court Order 2010-163-02-22) which will change the invoicing for maintenance from the CUC to Tyler. 2) Approve Tyler Technologies, Inc as the sole source provider (per attached letter) for Odyssey software licensing, maintenance and support in accordance with Local Government Code 262.024 (7) (A) and 3) Approval to enter into the Continuous Improvement Program Agreement for FY2016 for option 3 (see attached) and authorize County Judge to execute documents.

New Court Order should read, “1) Approve attached Amendment to the Maintenance and Support Services Agreement (approved per Court Order 2010-163-02-22) which will change the invoicing for maintenance from the CUC to Tyler. 2) Approve Tyler Technologies, Inc as the sole source provider (per attached letter) for Odyssey software licensing, maintenance and support in accordance with Local Government Code 262.024 (7) (A) and 3) Approval to enter into the Continuous Improvement Program Agreement for FY2016 for option 1 (see attached) and authorize County Judge to execute documents.”

The language should have referred to “option 1” not “option 3.” This agenda item is being submitted to correct the error.
