

COLLIN COUNTY

OFFICE OF THE SHERIFF
4300 Community Avenue
McKinney, TX 75071

MEMORANDUM

TO: Lt. S. Morrison

FROM: Sgt A. Hatch *AH*

DATE: July 27, 2015

SUBJECT: Vehicle Replacement

We are currently utilizing a retired road & bridge truck in a covert capacity within our unit, CC Unit #48044. This unit, a Ford F-150, has over 167,000 miles and has reached the end of its service life as it has developed mechanical issues making the cost to repair not fiscally responsible nor prudent.

In an effort to maintain a vehicle within our unit for covert operations I have spoken with Jeff Bond at the service center in an effort to find a suitable replacement. Currently no seized vehicles are mechanically sound to meet our needs. Likewise, no trucks currently slated for surplus are in condition to be utilized for our needs. What we did find are several decommissioned patrol Ford Explorers. One of these vehicles, CC Unit #55144, is in sound mechanical, interior, and exterior condition. The miles for this unit are 100,700.

I am requesting the swap of Unit 48044, 2007 Ford F-150, for Unit 55144, 2013 Ford Explorer.

Respectfully,

Sgt. Andrew Hatch

- I recommend proceeding with this replacement solution. - SW 7.27.15

I agree. Swap with no addition/cost expected to Fleet
