

Draft Q & A
Insurance, Pharmacy
RFP 2015-319

1. Is a self-funded quote or insured preferred?
A self-funded
2. Is there a consultant/broker involved?
No
3. Are there any deductibles?
Currently there is not separate pharmacy deductible.
4. Specialty Drugs: will there be a deductible?
Currently there is no separate deductible for specialty drugs.
5. Please confirm the preferred method for submittal, whether uploaded to eBid or if binders are required. **It is preferred to have submittals uploaded to eBid, either option is accepted. Providers may submit an eBid and hard copy submittal if preferred.**
6. Regarding 4.4 Statement of Work, please confirm if this only applies to Section 6 or if the response criteria also applies to Section 4.0 and Section 5.0 as well.
It applies to all three sections.
7. Please clarify item 6.9.7 which asks to provide a disruption report using the Attachment E Provider Utilization report. Attachment E is a list of providers, not relevant to pharmacy. If a pharmacy disruption is requested, please confirm that we can use the claim file provided?
