RE: Tax Increment Reinvestment Zone (TIRZ) Board in Prosper, Texas

Dear Judge Self:

We appreciate your continued commitment to addressing the growth in Prosper, including your support of the creation of two Tax Increment Reinvestment Zones (TIRZ).

Pursuant to Chapter 311 of the Texas Tax Code, the Town of Prosper is required to create a TIRZ Board of Directors in accordance with the executed TIRZ agreements designating TIRZ districts for Blue Star Land and Matthews Southwest and their respective developments. As you are aware, the purpose of creating a TIRZ Board is to ensure compliance of the Tax Code for the operation of the aforementioned TIRZ districts within the Town.

Prosper is currently in the process of identifying officials to serve on these TIRZ Boards. Would you or a representative of Collin County be able to serve on these two TIRZ Boards that would meet for a minimum of once annually?

Please let me know at your earliest convenience.

With best regards,

Ray Smith
Mayor
