RE: Position #200123 transfer from Main Jail budget to SO-Admin budget

I am requesting the court's consideration in moving the Training/Compliance Captain's position from the Main Jail's 001-5030-641.40-10 budget to the SO-Admin's 001-5001-640.40-10 budget. This request results from combining the supervisory responsibilities of the Training/Compliance position with Professional Standards. This position is the only one under the Admin Major which remains in the Main Jail budget.
