RE: Data Usage Agreement Required By Department of State Health and Human Services

Effective immediately, all Health and Human Services Enterprise (HHS) agencies, including the Department of State Health Services, are expanding efforts to protect all types of confidential information and continue compliance with state and federal requirements applicable to confidential information. As part of this effort, HHS has developed a uniform data use agreement for use across the HHS Enterprise for all contractors and subcontractors who have, or will have, access to HHS confidential information.

Attached is the agreement for your approval. The Data Usage Agreement on court for approval applies to the following contracts 2015-001266-00 Immunization, 2015-001289-00-Local Public Health Service, 2015-001388-00 Tuberculosis Federal Grant, 2015-001394-00 Tuberculosis State Grant, 2015-046581-001-Foodborne Illness Grant and 2015-047298-001-WIC (Women, Infant & Children).

The Data Usage Agreement was sent to Collin County IT department with regards to any security compliance issues required by this agreement. Collin County IT department did not foresee any security compliance issues. The Data Usage agreement was sent to Purchasing and Human Resources Department with regards to insurance requirements related to this agreement. Both departments responded stating they did not foresee any compliance issues on their part.
