B. HCF Resolution NO. 2015-2072-07-06  
Lease Agreement, Veterans Center of North Texas  
Construction & Projects

Reference B Lease Agreement, paragraph 1.05, provides a term of lease for three (3) years to Veterans Center of North Texas at the Reference A location. The Lease Agreement also provides the Veterans Center of North Texas a one-time option to terminate the Lease on January 31, 2016 with written notice to be given not later than January 1, 2016.

The Veterans Center of North Texas is actively pursuing the support of North Texas Veterans and their families. Due to the evolving and maturing nature of our new nonprofit business endeavor, we do not believe the one-time option to terminate the lease on January 31, 2016 will provide us sufficient time to generate the requisite metrics to characterize our program success. To this end, request the Lease Agreement, paragraph 1.05, one-time option to terminate the Lease be modified to August 1, 2016 with written notice given not later than July 1, 2016. All other elements of this lease agreement remain unmodified.

Request you favorably consider this Lease modification. Please contact me with comments and questions.

Thank you
