Re: Mass Gathering Permit/The Garden Show

Major,

I have reviewed the attached Mass Gathering Permit for "The Garden Show", promoted by the Collin County Master Gardeners Association. This is an annual event coordinated and held at Myers Park.

I have reviewed the application in it's entirety. All documents have been submitted and the County Fire Marshal's Office has sent a letter with no objections to the event to County Judge self.

Myers Park is in charge of security, and Ms. Florence has stated in the past that she has coordinated this with Captain Thompson from detention. I see no need for an outside employers request to be submitted because Myers Park is county owned and operated. Captain Thompson has stated they will have two deputies working the event, the same as previous years. This is an annual event.

My recommendation is to alert patrol of the event. I see no objections to the issuance of a Mass Gathering Permit.

1/6 I agree with
