RE: Amended Early Voting Calendar for March 1, 2016 Primary Elections

On December 14, 2016, Commissioners Court approved the Early Voting Calendar of the early voting locations, dates and times for the March 1, 2016 Primary Elections (2015-968-12-14). Concerns were raised during the briefing that Carpenter Park Recreation Center would not be open for weekend voting on February 20-21, 2016 due to a previously approved booking. As a result of further discussions with Carpenter Park Recreation Center representatives, approval was granted for use of the facility to include the weekend of February 20-21, 2016.

This is to request Commissioners Court consideration and approval of the Amended Early Voting Calendar of Locations, Dates and Times for the March 1, 2016 Primary Elections.
