December 18, 2015

Temporary Certificate of Occupancy

Based on your request for temporary occupancy and agreement to complete outstanding City of Wylie Department's correction requirements per your letter dated December 18, 2015 this office is hereby granting an interim Temporary Certificate of Occupancy allowance for the project indicated above not to exceed the amount of days per the letter dated December 18, 2015. This allowance extends occupancy to the Exco Tooling Solutions to utilize this building for all of the intended functions.

This allowance requires that all remaining items be completed within the declared time frame and that all other City of Wylie Department requirements are satisfied prior to release of the permanent Certificate of Occupancy.

This extension of temporary occupancy is approved by the City of Wylie Fire Department, the Fire Marshal's office and this office.

Brian Killebrew
Chief Building Official
