

COLLIN COUNTY

OFFICE OF THE SHERIFF
4300 Community Avenue
McKinney, TX 75071

MEMORANDUM

DATE: February 9, 2016
TO: Commissioners' Court
FROM: Sheriff Terry G. Box 
RE: 90' Mono-Pole Tower

This agenda request is for approval for NCTCOG to build a 90' tower behind the Sheriff's Office. This tower will be in the form of a Mono-pole and will support two microwaves.

NCTCOG procured services to build a microwave network in order to interconnect all of the PSAPs (support by NCTCOG) with a second network. Adding this layer of redundancy to the existing network infrastructure will increase the resiliency and needed capacity for future additional services.

There will be no costs to Collin County for any of the equipment or services performed. Future support of the tower and equipment on that tower will be provided by NCTCOG, unless Collin County chooses to use the tower for County projects, in which case those issues would be discussed.
