Re: Mass Gathering Permit/Vintage Market Days

Major Sanderson,

I have reviewed the attached Mass Gathering Permit for "Vintage Market Days", promoted by Jackie Shaw of Sapulpa, Oklahoma. This is an annual event coordinated and held at Myers Park on May 6-7, 2016, and the permit has no changes and will be operated the same as in years past.

I have reviewed the application in it's entirety. All documents have been submitted by the promoter. Myers Park is in charge of security and is coordinating it with Captain Bryce Thompson. I see no need for an outside employers request to be submitted because Myers Park is county owned and operated. Captain Thompson has stated they will have two deputies working the event.

As long as the County Fire Marshal's Office signs off on the event and sends a letter stating the same to the County Judge, my recommendation is to alert patrol of the event.

I see no objections to the issuance of a Mass Gathering Permit.
