Re: Lantek-Contract Amendment No. 1 (Audio Visual for JP Courtrooms)

The Collin County Information Technology department requests approval for the contract amendment. This contract amendment is needed because we are removing the courtroom for Wylie. The Wyle JP office will be moving out of their current location within 18 months. Also, there are a few items that need to be added to this project in the amount of \$691.03. Listed below are the items needed to complete the project.

- 5 port switch
- POE injector
- End Connectracs/ Segment Connectracs
- 20AMP Duplex Receptacle
- Ceiling Mount Speakers
- HDMI cables
- Blue Category 5
- Installation Technician
