Re: **Run Smarter Award for Best Records Management Initiative**

Collin County was selected as one of the Run Smarter Award recipients for Best Records Management Initiative at the Laserfiche Empower 2016 Conference in Long Beach, CA. Representatives from Laserfiche and MCCi will present Collin County the award in Commissioners Court.

Since 2005, the annual Run Smarter Awards Program has recognized organizations that use Laserfiche enterprise content management (ECM) software to improve productivity, processes and overall results. Each year, Run Smarter Award winners are chosen by a committee of Laserfiche executives based on creativity, operational improvements, use of Laserfiche software and resources, and inspiration potential for other Laserfiche clients. Winners from around the globe and across a range of industries are recognized during an awards ceremony at the Laserfiche Empower conference.
