Re: Material Management Grant ILA

Earlier this year, County staff applied for the 2016/2017 Materials Management Grant sponsored by the NCTCOG and TCEQ. Following the review process, NCTCOG notified Public Works that our grant submission titled "Environmental Education and Analysis for Illegal Dumping Enforcement" had been approved in the amount of \$49,250.50.

To formally accept the awarded grant, County staff must sign and return the attached Interlocal Agreement which will serve as the contract with NCTCOG. Public Works requests Commissioners Court's consideration and approval to accept the 2016/2017 Materials Management Grant.
