Re: Equipment Lease Contract

Periodically, Public Works leases road construction equipment to augment our Road & Bridge fleet during the busy summer months. This year, one of our fleet lessors, B & R Equipment, chose not to renew their contract for FY 2017. They had previously been awarded two items, 1 Water Truck and 1 Dozer. To compensate for this loss, County staff recommends adding that equipment to the equipment lease contract with another of our fleet lessors, Holt CAT.

Therefore, Public Works requests the approval of Commissioners Court to renew the equipment lease contract 2014-121 with Holt CAT from 10/1/2016 through 9/30/2017 and add two pieces of equipment:

2014-121-06 Water Truck  
2014-121-11 Dozer
