Re: Sole Source Provider

The V.T.C.S. Local Government Code, Chapter 262, Section 262.024 (a)(7)(A-D) provides that Commissioners' Court may by Court Order grant an exemption from competitive bidding requirements by accepting a statement of the existence of only one source from the Purchasing Agent and, if approved, enter into its Minutes the results of the vote taken.

Accordingly, I am certifying Argyle Security to be the sole source provider of programming, service and integration for the electronic security systems to include door control, communications and video surveillance in Collin County Detention Center, Minimum Security and Juvenile Detention. The PLC Source Code required for integration of the electronic security systems was designed by and is only available to Argyle Security (Metroplex Control Systems, Inc.).

This Sole Source Designation replaces Court Order 2005-054-01-25 for Metroplex Control Systems, Inc.
