**Re:** FY17 Maintenance Contract Renewal Authorization

---

At the request of the Purchasing Department, Information Technology is requesting Commissioner Court to authorize the renewal of the current maintenance contract with VOTEC Corporation for Field System Software Support and VEMACS Support. The FY17 renewal will be budgeted as part of the non-departmental budget request. The estimated cost of the maintenance agreement is approximately \$110,854.66. The voter surcharge is 18 percent and has increased by 4 percent from last year due to voter surcharge for VEMACS per the voter schedule fee and as allowed per the original agreement.

This line item will be included as part of the regular FY17 maintenance request.
