Date: August 1, 2016

Subject: Budget Amendment for Adult Detention Freezer

Request Commissioners' Court consideration and action regarding approval for a budget amendment in the amount of \$3,100.00 for FY14 approved Permanent Improvement Project to add a freezer at Adult Detention. Additional funds will cover the integration of the freezer into the countywide facility automation system to monitor freezer temperature and report out-of-tolerance conditions to system operators. Funds are available in the recently completed project to upgrade the cameras at Adult Detention.

Thank you,
