4.2 Purpose: It is the intent of the following specifications to describe various types of Emulsified Asphalt needed by Collin County and various members of the Collin County Governmental Purchasers Forum. Types of asphalt required include but are not necessarily limited to: CRS-2TR, AE-P, CRS-2, CRS-2H, CSS-1H, and CSS-1S and Cold Central Plant Recycling of Asphalt Milling. All asphalt must meet the standards set forth in Item #300, Asphalt, Oils and Emulsions, Standard Specifications for Construction of Highways, Streets and Bridges, 2014 Edition, Texas Department of Public Highways and Transportation. The Collin County Governmental Purchasers Forum reserves the right to add or delete participating entities as needs arise or change throughout the contract period.

4.3 Term: Provide for a contract commencing on date of award and continuing through and including September 30, 2017 with three (3) optional one (1) year renewals.

4.3.1 Transitional Period: Upon normal completion of this contract, not to include termination for default, and in the event that no new contract has been awarded by the original expiration date of the existing contract including any extension thereof, it shall be incumbent upon the Vendor to continue the contract under the same terms and conditions until a new contract can be completely operational. At no time shall this transition period extend more than ninety (90) days beyond the original expiration date of the existing contract and any extension thereof.

4.4 Funding: Funds for payment for Collin County expenditures have been provided through the Collin County budget approved by the Commissioners' Court for this fiscal year only. All other participating entities expenditures have been provided through their entity's governing body for this fiscal year only. State of Texas statutes prohibit any obligation of public funds beyond the fiscal year for which a budget has been approved.

4.5 Price Reduction: If during the life of the contract, the vendor's net prices to its customers for the same product(s) and/or services shall be reduced below the contracted price, it is understood and agreed that the County shall receive such price reduction.

4.6 Price Adjustment Clause (Escalation/De-Escalation): The bidder is to submit a bid that will be fixed for one (1) year. On each anniversary date of the contract, the Contractor may be granted an increase or decrease in their bid, dependent upon fluctuations in the Producer Price Index (PPI); Group: Nonmetallic mineral products; Item: Non-Metallic Mineral Products; Series ID: WPU13; as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. 20212. Visit their website at [www.bls.gov/](http://www.bls.gov/).

The Contractor has the sole responsibility to request, in letter form, an adjusted rate and shall provide a copy of the index and other supporting documentation necessary to support the increase or decrease with the request. This request and documentation must be received at the

office of the Purchasing Agent no later than ninety days (90) from the anniversary date. To ensure timely delivery, certified mail is recommended. If the request is submitted and received within the required time frame, the adjustment will be submitted for processing. Contractor will be notified in writing upon approval.

Should a contractor fail to submit the request and supporting documentation to the proper location within ninety days (90) of the anniversary date, contractor shall be deemed to have waived its right to any increase in price, but the County shall not be barred from making the appropriate adjustment in the case of a decrease determined in accordance with the above methodology.

4.6.1 The anniversary date will be October 1 of each year. The 'base' month for determining adjustments will be the sixth (6<sup>th</sup>) month prior to the anniversary date of the contract. The base month is fixed and will not be adjusted year to year. The adjustments will be based on the difference in the base month for each applicable year and will become effective on the first day of the anniversary month. If the contract allows for an adjustment after the first year, it would be based on the difference between the April 2016 PPI and the April 2017 PPI and become effective in October 2017.

Bidder shall be able to place emulsified asphalt at the Collin County Governmental Purchasers Forum's designated locations within twenty-four (24) hours after receipt of an order. Delivery shall include three (3) hours demurrage. Vendor shall state in the space provided the price per hour, if any, for additional demurrage time. Any exceptions to the required delivery time or demurrage time shall be stated in the space provided.

4.10 Delivery Location: Locations for delivery will be stated on each purchase order.

4.11 Freight: It is understood that the Freight Commodity Tariff as set by the Texas Railroad Commission is a factor beyond the control of the bidder and may affect price bid during the contract period. Bidder shall notify Collin County immediately in writing of any such change.

This will be the only allowable increase. Collin County reserves the right to accept or reject any request for increase.

4.12 Testing: Testing may be performed at the request of Collin County, by an agent so designated by the County, without expense to Collin County or the Collin County Governmental Purchaser’s Forum.

4.13 Approximate Usage: Estimated value of this contract is \$478,000.00. Approximate usage does not constitute an order, but only implies the probable quantity the County will use. Emulsified Asphalt will be ordered on an as-needed basis.
