Hi Georgia,

Yes the City and ISD have both approved. It's kind of an odd tract. The tract originally struck off has been reduced by an easement, so I guess they're taking what they can get on this one. It's hard to even determine what the true value is. Let me know if there are any questions on it.

Erin,

I received the attached property in Farmersville. The memo attached does not indicate if the other entities have approved the sale. Can you please confirm that the other entities have agreed to sell the property for \$100.00?

Thank you very much,

Georgia Shepherd
