Subject: EMC Isilon X200 3-Node Cluster

Greg,

On behalf of EMC I'm pleased to offer the above product as a seed unit donation to Collin County. The configuration and other pertinent details are summarized below.

- * Isilon Model X200 (3-node cluster)
- * Total Usable Capacity is 39.65TBs
- * Street discounted pricing value is \$107,891.54
- * Maintenance Support is included through 7/1/2019
- * Estimated Annual Maintenance Renewal Cost starting 7/2/2019 is \$20,644.13
- * X200 EOSL (End of Support Life) is 3/31/2021; this is the last day EMC Maintenance is available on this product
- * Estimated Cost for each additional X200 node (20TB useable storage) is \$29,550.55
- * The X200 cluster will be installed and implemented by the EMC team.

Please let me know if you need additional information.

Thanks,
Oscar Benitez
