Re: **Best of Texas 2016 Awards – Best Application Serving the Public**

Collin County received the “Best Application Serving the Public” honors as part of the Best of Texas awards ceremony at the Texas Digital Government Summit 2016 in Austin, TX. IT's Assistant Director, Steve Ganey accepted the award on behalf of Collin County.

“Collin County’s mobile-friendly one-stop judicial system was awarded for its ability to easily serve to customers three of the county’s most pursued data sets. The new database receives more than 1.6 million hits per month from public searches.” (<http://www.govtech.com/applications/Best-of-Texas-2016-Awards.html>)
