TRANSFORMING YOUNG LIVES AND CREATING SAFER COMMUNITIES

August 17, 2016

Dear Chief:

The Texas Juvenile Justice Division (TJJD) staff have reviewed the diversion application, 16-D0056, for PID #22644. This application has been **approved** for diversion. TJJD has approved placement at G4S at a daily rate of \$140 for 180 days and aftercare treatment at Gulf Coast at a daily rate of \$104 for 180 days. TJJD must approve any changes to this plan for your department to receive reimbursement.

Please find included with this letter a Diversion Placement Invoice, TJJD-REG-020. Fill out the invoice and send it to Ashley Kintzer (ashleykintzer@tjjd.texas.gov) once the youth is ordered by the court and placed so that the placement and aftercare treatment information can be confirmed. Once you receive the first invoice, send a copy of the paid bill to Ms. Kintzer so that your department can be reimbursed for the placement.

In the event the youth is not sent to or removed from the above placement, please contact me as soon as possible.

If you have any questions or concerns about anything addressed in this letter, please do not hesitate to contact me. Thank you for participating in this process.

Sincerely,

A handwritten signature in black ink that reads "James R. Williams".
